

EAST AFRICA GERMAN SHEPHERD DOG LEAGUE

CHAMPIONSHIP DOG SHOW

SATURDAY JULY 11th and SUNDAY JULY 12th 2015

CRITIQUE

JUDGE: MRS ANNA LAWRENCE-BROWN

My thanks to the committee for asking me to judge the beautiful German Shepherd Dogs again. The long coats had their own classes, the winning bitch moved beautifully and earned her place as the best long coat.

On a very positive note the overall quality of the dogs was very good with whole classes of youngsters graded Very Good and in the older classes a line of Excellents. When presented with such a choice the result is determined by the movement of each dog on the day. Indeed one very nice male was obviously not well and was unable to move with drive and although the grading remained the same his position in the ring dropped.

A dog must be 2 years old before he /she can be graded EXCELLENT. Because we follow the Kennel Club format and award Challenge Certificates the best dog in the ring, regardless of age, must go CC or Best of Breed. Therefore a dog graded VG (due to age) can win over an EX.

Sadly a few dogs reacted adversely under the gun and did not calm down afterwards and I was unable to grade them. Another reacted but calmed quickly so was just downgraded. Disappointing as they were all of excellent quality. The common faults were the usual slightly steep croups and open shoulder angulation, only a few short croups. Some rather extreme hind angles have crept in resulting in weak hocks, and some hinged backlines..... breeders take care!

I was very disturbed by the condition of a lot of unhealthy mouths. Very dirty teeth and some gum disease. This has been an issue for a few years and is not acceptable. The committee needs to discuss the way forward.

In the main the handling was very good (congratulations to our very young handlers) Maybe attention should be given to training your dogs to gently show their teeth. What should have taken less than an hour (We planned on a cup of coffee after 'doing' the teeth!!) took at least double that time..... If anyone would like some show training classes please let your committee know.

Thank you all for entering your dogs under me and accepting my judgment with your usual sporting attitude. I thoroughly enjoyed the day. Thank you..... Caryn who was my invaluable scribe, to Yusuf and Kiuna, excellent ring and collecting stewards and to ' the office ' Bidy, Anna and Sue.

We had support from 3 companies:- Heritage Foods Kenya Ltd who supply KRUNSHI and TOP DOG, Petpal who supply the imported dog food WAGG and cow food, and Aquapet who supply BEWI DOG FOOD and pet accessories. Thank you for your support and the great prizes you gave to our various winners.
